PUBLIC WORKS DEPARTMENT
Reg (From 2023- to 2028)

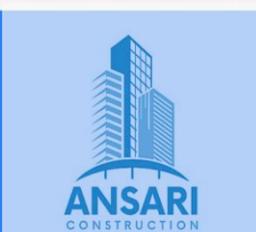

Vision

1. To Be A Leading Name In The Civil Construction Industry Across India.
2. To Set Benchmarks In Quality, Safety, And Efficiency.
3. To Expand Our Services While Maintaining Our Core Values And Client Trust.
4. To Become A Preferred Partner For Public And Private Sector Projects.
5. To Promote Eco-friendly Construction Practices For A Greener Tomorrow.
6. To Empower Our Workforce Through Training And Growth Opportunities.
7. To Foster Innovation, Transparency, And Accountability In Every Project.
8. To Leave A Lasting Legacy Of Excellence In Every Structure We Build.

Mission

- To Deliver High-quality, Cost-effective Construction Services On Schedule.
- To Build Long-term Relationships With Clients Through Integrity, Performance, And Customer Satisfaction.
- To Create Sustainable Infrastructure That Meets Modern Safety And Environmental Standards.
- To Employ And Support Motivated, Flexible, And Focused Teams.
- To Continually Innovate And Adopt The Latest Technologies In Construction.
- To Maintain The Highest Level Of Professionalism, Honesty, And Fairness In All Dealings.
- To Contribute Positively To Community Development And Local Economies.

Key Strengths

Timely-delivery

We Pride Ourselves On Completing Projects Within Committed Deadlines, Without Compromising On Quality Or Safety—ensuring Client Satisfaction And Reliability.

Expert-team

Our Team Consists Of Experienced Engineers, Architects, Project Managers, And Skilled Laborers Who Bring Professionalism, Knowledge, And Dedication To Every Project.

Latest-technology

We Leverage Modern Construction Tools, Software, And Equipment To Enhance Precision, Speed, And Efficiency In Execution And Project Management.

Strong-project-management

Robust Planning, Regular Progress Monitoring, And Proactive Problem-solving Help Us Maintain Control Over Timelines, Budgets, And Quality.

Client-centric-approach

We Work Closely With Clients To Understand Their Vision, Provide Personalized Solutions, And Maintain Transparent Communication Throughout The Project Lifecycle.

Solutions We Provide

- Building
- Renovation
- Demolition
- Materials Delivery
- Site Preparation
- Road Construction
- Landscaping
- Structural Repairs
- Project Management
- Waterproofing Solutions
- Concrete Works
- Earthwork & Excavation
- Drainage & Sewer Systems
- Bridge & Culvert Construction
- Retaining Walls
- Utility Installation
- Asphalt Paving
- Steel Fabrication & Erection
- Industrial Shed Construction
- Fencing & Boundary Walls
- Dewatering & Ground Stabilization

Residential-Construction

We Specialize In Building Durable, Stylish, And Functional Homes — Including Villas, Apartments, And Housing Schemes — Tailored To Modern Living Standards.

Commercial-Buildings

From Office Complexes To Retail Outlets And Industrial Facilities, We Deliver Commercial Spaces That Combine Efficiency With Architectural Appeal.

Government-Projects

We Have Extensive Experience In Executing Public Sector Works Such As Schools, Hospitals, Administrative Buildings, And Community Centers, Ensuring Compliance With Government Standards.

Road-&-Infrastructure-Works

Our Team Handles Roads, Drainage Systems, Water Supply, And Other Critical Infrastructure With Precision, Using The Latest Technology And Engineering Practices.

Renovation-&-Remodeling

We Provide Complete Renovation Solutions, Upgrading Existing Structures With Modern Designs, Energy Efficiency, And Improved Usability.

Project-Management

Our End-to-end Project Management Services Include Planning, Coordination, Budgeting, And Execution, Ensuring Timely And Quality Outcomes.

Design-Build-Solutions

A Streamlined Approach Where We Handle Both Design And Construction, Offering Clients A Single Point Of Responsibility And Faster Project Delivery.

Green-Building-Initiatives

We Incorporate Eco-friendly Methods And Sustainable Materials, Helping Clients Reduce Energy Consumption And Environmental Impact In Their Buildings.

Area of Work

Civil Construction Work Type List

1. Structural Construction

- Residential Buildings
- Commercial Complexes
- Industrial Sheds
- Multi-Storey Buildings
- Warehouses

2. Infrastructure Development

- Road Construction
- Bridges & Flyovers
- Railway Works
- Highways & Expressways
- Airports & Runways
- Ports & Harbors

3. Water & Drainage Works

- Sewerage Networks
- Sewage Treatment Plants (STPs)
- Water Treatment Plants (WTPs)
- Storm Water Drainage Systems
- Water Pipeline Installation
- Pumping Stations
- Canal Construction

4. Environmental & Green Projects

- Solid Waste Management
- Landscaping & Plantation
- Green Building Projects
- Solar Street Light Installation
- Rainwater Harvesting Systems
- Beach Cleaning & Maintenance

5. Industrial & Utility Services

- Fabrication Work
- Earthworks & Land Development
- Concrete Works
- Dredging Work
- Power Supply Infrastructure
- Electrical Cabling & Lighting

6. Renovation & Maintenance

- Renovation of Old Structures
- Retrofitting & Repairs
- Structural Strengthening
- Waterproofing
- Painting & Finishing

Quality Policy

1. Client Satisfaction First

We Prioritize Client Needs And Expectations, Ensuring Each Project Meets Or Exceeds Their Requirements.

2. High-quality Materials

Only Certified And Durable Construction Materials Are Used To Ensure Long-term Strength And Reliability.

3. Skilled Workforce

Our Team Comprises Trained Engineers, Supervisors, And Laborers Dedicated To Delivering Superior Craftsmanship.

4. Strict Quality Checks

Every Stage Of Construction Undergoes Thorough Inspections To Maintain The Highest Standards.

5. Timely Completion

We Deliver Projects On Schedule Without Compromising On Quality.

6. Use Of Modern Technology

Advanced Tools, Machinery, And Software Ensure Precision And Efficiency In Execution.

7. Compliance With Standards

All Work Adheres To National And International Building Codes And Safety Regulations.

8. Continuous Improvement

We Regularly Update Our Practices Through Training And Innovation To Enhance Quality.

9. Transparent Communication

Clients Are Kept Informed At Every Phase, Ensuring Alignment And Satisfaction.

10. Post-completion Support

We Offer Maintenance Guidance And Support To Ensure Long-term Performance Of Our Structures.

PROPOSED SKETCH VIEW OF NEW COURT CIVIL BUILDING AT TAL. GANGAKHED, DIST. PARBHANI.

Our Core Values :

Quality

We Are Committed To Delivering Excellence In Every Project. From Materials To Workmanship, We Maintain The Highest Standards To Ensure Our Structures Stand The Test Of Time And Client Expectations.

Safety

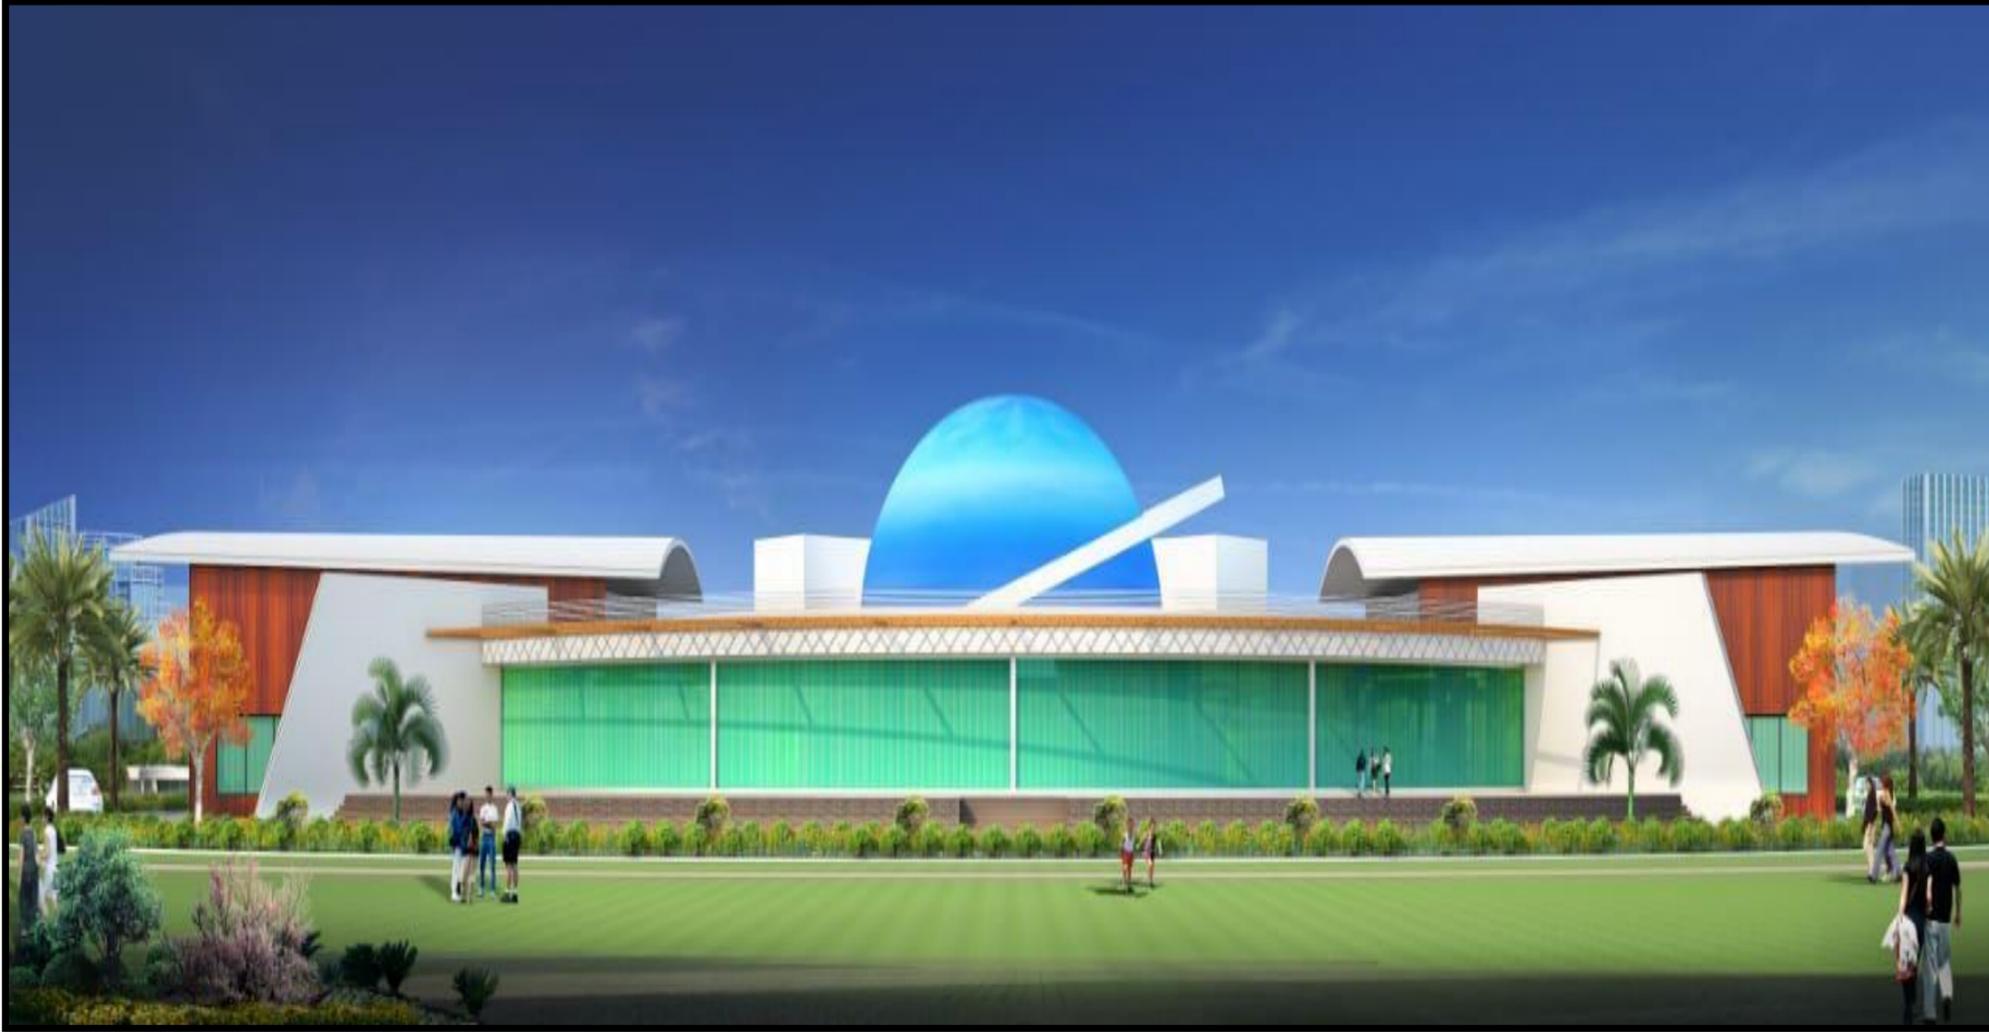

Safety Is At The Heart Of Everything We Do. We Enforce Strict Safety Protocols To Protect Our Workforce, Clients, And Communities—ensuring A Secure Environment On All Project Sites.

Innovation

We Embrace Modern Construction Techniques And Smart Technologies To Improve Efficiency, Reduce Costs, And Deliver Cutting-edge Solutions That Drive The Industry Forward.

Sustainability

We Believe In Building For A Better Future. Our Practices Are Guided By Environmental Responsibility—minimizing Waste, Conserving Resources, And Promoting Green Building Principles.

Our Ideology

Ideology Of Ansari Construction Company

At Ansari Construction Company, Our Ideology Is Rooted In **Integrity, Excellence, And Progress**. We Believe In Building More Than Just Structures — We Build Trust, Relationships, And A Better Future. Our Approach Blends **Traditional Values** With **Modern Technology**, Ensuring That Every Project Reflects Quality, Safety, And Sustainability. We Are Committed To **Ethical Practices, Client Satisfaction, And Continuous Improvement**, Shaping A Construction Legacy That Stands Strong For Generations.

ANSARI CONSTRUCTION COMPANY

“From Concept To Creation, We Build With Trust And Precision.”

Management Team

Our Leadership Team Is Led By Experienced Directors With Deep Roots In The Construction Industry. Each Member Brings Over A Decade Of Expertise In Project Planning, Civil Engineering, And Execution. They Have Successfully Managed A Wide Range Of Government And Private Sector Projects. Their Vision, Technical Knowledge, And Commitment To Quality Drive The Company Forward. Together, They Ensure Every Project Meets High Standards Of Safety, Efficiency, And Client Satisfaction.

Leadership & Philosophy : *AZIZ BHAIJAN & ABDUL MAJID ANSARI*

Partner At *Ansari Construction Company* As A Partner At Ansari Construction Company, My Leadership Philosophy Is Rooted In Integrity, Accountability, And Collaboration. I Believe That Great Construction Isn't Just Built With Concrete And Steel—it's Built With Trust, Communication, And A Shared Vision. Our Projects Are Complex And Require Coordination Across Many Disciplines, But Our Success Always Comes Down To People. I Lead By Example, Fostering A Culture Where Every Team Member—whether On-site Or In The Office—feels Valued, Heard, And Empowered To Take Ownership Of Their Work. Safety Is Not Negotiable, Quality Is Expected, And Efficiency Is Essential. But I Also Recognize That Innovation And Continuous Improvement Set Great Firms Apart. I Challenge Our Teams To Think Critically, Solve Problems Creatively, And Uphold The Highest Standards Of Craftsmanship And Professionalism. In Every Project, I Aim To Build Not Just Structures, But Long-term Relationships—with Clients, Employees, Trade Partners, And Communities. That's The Foundation Of Sustainable Success In Construction.

**“Where Vision Meets Craftsmanship
– Ansari Construction Delivers Excellence.”**

Health, Safety & Environment - (HSE) Policy

- *Ansari Construction Company* Is Committed To Maintaining Safe, Healthy, And Eco-friendly Work Environments.
- We Enforce Strict Safety Protocols And Provide Regular Training To All Workers.
- Certified Protective Gear Is Mandatory On All Sites, Ensuring Accident Prevention.
- We Promote A Safety-first Culture Where Hazards Are Reported And Addressed Immediately.
- Routine Site Inspections And Audits Help Us Maintain High Safety Standards.
- Environmentally, We Use Sustainable Materials And Energy-efficient Practices.
- Waste Is Reduced Through Recycling And Responsible Disposal Methods.
- We Aim To Minimize Our Carbon Footprint Across All Operations.
- All Staff And Contractors Are Expected To Fully Comply With HSE Policies.
- Our Goal Is To Protect People, Property, And The Planet In Every Project.

Our Major Equipment

- **Hotmix Plant** – For High-quality Asphalt Production Used In Road Construction.
- **Weigh Bridge** – To Ensure Accurate Material Measurement And Load Management.
- **Paver Machine** – For Smooth And Uniform Asphalt Laying Over Large Surfaces.
- **Vibratory Roller** – Essential For Compacting Soil, Asphalt, And Other Materials.
- **Concrete Batching Plant (RMC)** – Enables On-site Concrete Mixing With Precision.
- **Stone Crusher Unit** – For Producing Quality Aggregates And Stone Materials.
- **Diesel Tanker** – Ensures Uninterrupted Fuel Supply To Machinery At Remote Sites.

Our Machinery Fleet Supports High Productivity, Better Control, And Reduced Dependence On External Vendors—enhancing Our Overall Project Capability.

8. New Self Loading Mixers of Ajax & Swing Stetter of 4.5 & 4 Cubic Meter

List of Work Completed

9. Casting of Nandkheda Bridge.

List of Work Completed

10. Construction of Girls Hostel at Gangakhed in Year 2020

11. Construction of Court Building at Palam in 2019

List of Work Completed

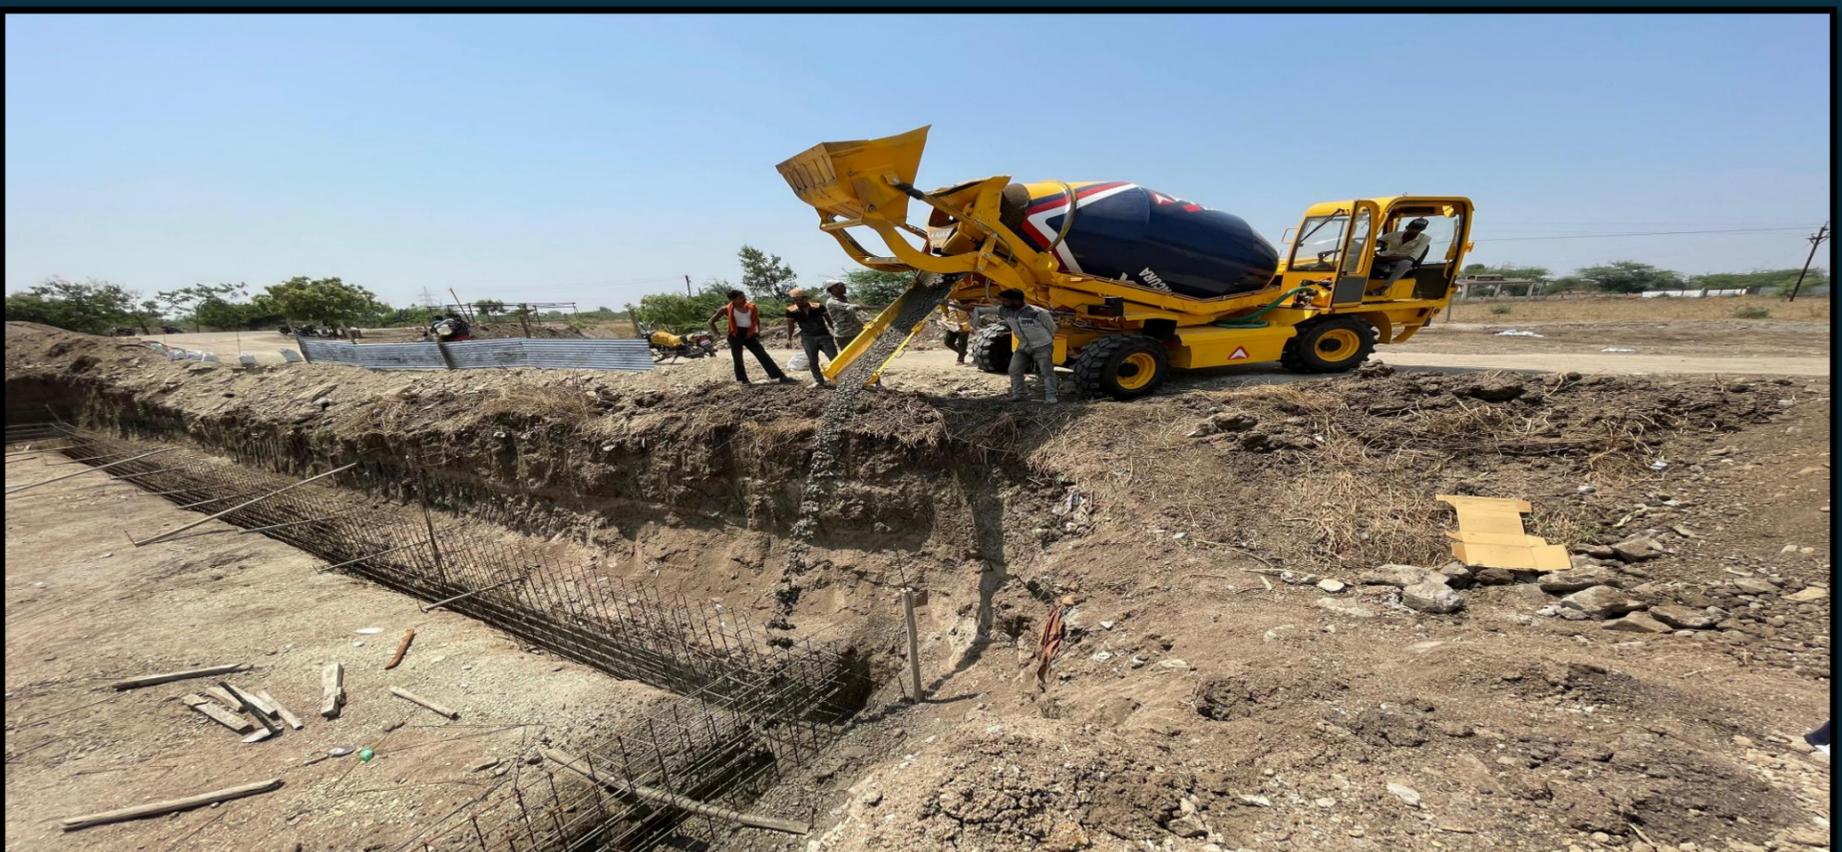

12. Construction of Minority Hall in Jintur in 2020

- The Minority Community Hall is a dedicated initiative by the Maharashtra State Government.
- It aims to support the cultural, educational, and social needs of minority communities.
- The project includes the construction of modern, well-equipped halls in minority-concentrated areas.
- These halls serve as venues for community events, awareness programs, and skill development activities.
- Priority is given to promoting harmony and inclusive growth among underprivileged sections.
- The halls are equipped with seating facilities, stage, sound systems, and basic amenities.
- Local minority organizations can use these halls at concessional or no cost.
- The project also supports government schemes outreach and training sessions.
- It empowers youth and women through workshops and community-based programs.
- Overall, the initiative strengthens the socio-economic fabric of minority communities in Maharashtra.
